

Nursery school and childcare services

Manages and coordinates the activities of the educational services for children in the territory, including the Nursery Schools and the Primavera Section of the municipality Schools.

Monitors and supervises the educational processes in order to ensure the quality of education services, according to the indications given and in compliance with national, regional and municipal regulations. Manages the work organization of staff assigned to individual departments. It offers methodological guidance and technical pedagogical support to coordinators and colleges of educators and operators, provides educational advice to families, and creates synergy and links with local services. Coordinates and manages the family participation organizations.

The municipal Nursery schools welcome children aged between 3 months and 3 years old and help families in their growth and to train them, respecting their individual, cultural and religious identity.

The educational project is based on a shared pedagogical thought, constantly updated. The proposed ludic and exploratory experiences, in their variety of languages, stimulate and nourish the different approaches of children.

In Verona, there are:

- n. 22 Nursery Schools
- n. 7 Nursery Schools in agreement
- n. 4 Time for Families Services
- n. 1 Pedagogical Centre "L'Arca"

For new entrants, a gradual integration is planned and agreed with the educator.

To clarify the way of integration and organization of the Service, an information meeting is held at the beginning of the educational year.
